

# Black Forest 300km Brevet

14-May-2011

## Rider Tips

**--- NOTE: Lights and Reflective Gear Required! ---**

### CONTROLS

- **Remember:** *Be Patient, Be Polite, Patronize the Control Stores.*
- **Larkspur outbound** – Eric Simmons will be there to sign cards and offer support for those arriving before store opens.
- **Elbert** – Store under new management.
- **Black Forest** – Use store at SW corner of Black Forest and Shoup Rds. – BBQ available.
- **Larkspur return** – Good selection of food and beverages. They have historically been a good, friendly stop for us.

### ROUTE ADVISORIES

- **Hodgen Road (outbound)** – There has been some construction – a few hundred feet of dirt/gravel possible
- **Black Forest changed segments** – Route between Black Forest control and Rollercoaster Road is new (because of construction).

### RULES

- **Not a Race**
- **Observe Traffic Rules** – *Be a polite road user.*
- **Be Alert** – *Don't obstruct traffic.*

### AT THE FINISH

- If Eric is not there when you finish, get time validation at a local store.
- If his vehicle is there, leave card in vehicle. If not, mail it to me.

### RANDONNEURS USA

- Need to be a member for RUSA awards and Super-Randonneur credit.
- You can join on day of event for credit.
